

# *How do I get to ... in St Walburga's School?*

|                 |                                                                                                                                             |                                                                                                       |                                                                                                                        |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Lesson 1</b> | In this lesson, you will look at a map of our school . You will then identify the key features.                                             |                                                                                                       |                                                                                                                        |
| <b>Lesson 2</b> | Today, you will look at a map of the surrounding area and label the landmarks.                                                              |                                                                                                       |                                                                                                                        |
| <b>Lesson 3</b> | Today you will categories the physical and human features                                                                                   |                                                                                                       |                                                                                                                        |
| <b>Lesson 4</b> |                                                            | In Geography today, you will draw your own map on grid paper and add coordinates.                     |                                                                                                                        |
| <b>Lesson 5</b> | In this lesson, you will write directions from one place in school to another using the technical vocabulary - North, East, South and West. |                                                                                                       |                                     |
| <b>THEME</b>    | <b>Infrastructure</b><br>                                | <b>Mapping</b><br> | <b>Position and direction</b><br> |
