

Year 5 Branch 1 - Creation & Covenant

Week 1	In our first week, we will describe and recognise what a covenant is through the different covenants God made throughout history.			
Week 2	This week, you will reflect and retell the Moses story focusing on God’s call of Moses, the Burning Bush and the Sinai covenant.			
Week 3	This week, we will learn about the covenant with Moses, mainly the Ten Commandments and how they help people lead happier lives.			
Week 4	In this week, we will learn how the Ten Commandments link with the summary of the Law in Matthew’s Gospel. We will then use this to think about what it means to love our neighbour.			
Week 5	This week, we will continue our work on loving your neighbour through Catholic Social Teaching and the common good. We will talk about how our choices can affect our relationship with God and others.			
Week 6	In our final week, we will learn about different virtues and whether they can help us lead a good and happy life. We will also summarise our learning from the unit making links across the various lessons.
